Todd:

I wanted to extend my sincere appreciation to you and the entire St. John staff for a wonderful dinner event last Thursday evening. Susan, Kenny, and the rest of the team were a pleasure to work with. The food was wonderful and the setup perfect.

I've coordinated many events over the years and it is always a joy to work with such outstanding venue staff. I appreciate the important ministry work done by the catering department and the church. Thank you for all that you do!

Please note our new address and fax number!

Peace,
