Ellisville, MO 63021

Dear Susan,

Just wanted to let you know how much we enjoyed having our annual Renee Johnson's Dance Competition team banquet at your facility. Your entire staff was very professional, friendly and a pleasure to work with. You were able to provide everything we needed for an enjoyable evening.

The vast menu selection made it easy to satisfy the adults as well as the children attending. The food was deliciously prepared and artfully displayed. The parents were really impressed with the food and the whole experience.

The banquet room was arranged so that all seats had a great view of the activities of the evening. The tables were beautiful and it was really nice how you were able to accommodate our request to incorporate our "team colors" with the linens.

All in all it was a perfect ending to our season and we look forward to working with you in the future.

Sincerely,

Renee S. Johnson
