Dear Families,

We are very excited for Summer Splash 2008! After reading parent surveys, interviewing teachers, and studying other summer programs Summer Splash has made some positive changes to enhance your children's summer learning experience. Make sure to check out our mission statement on the back of this brochure.

Summer Splash classes are now three hours. With this added time your children will have more hands-on activities, interactive experiences, as well as a short outdoor recess. The new schedule is: the morning session– 8:30-11:30am, lunch– 11:30-12:30, and the afternoon session– 12:30-3:30pm. Aftercare will be available from 3:30-4:30pm.

To simplify the registration process **each age group has their own colored brochure.** Preschool– Kindergarten is green, Grades 1-3 is blue, and Grades 4-6 is purple. We will be using these colors for each age group throughout Summer Splash for sign-in, nametags, etc.

If you register for Summer Splash before May 1st you will save! Classes are only \$70 for early registration, but if you wait to register the price is \$80 after May 1st.

This year we are focusing on sharing God's love. As part of each class students will join in a devotion and prayer time. We feel very privileged to teach your children about Jesus!

Please take time to look over the class options with your children and consider the benefit this summer enrichment will provide, both academically and socially. We hope to see you at St. John for Summer Splash!

In Christ,

Maggie Vande Vrede and Jeannine Colin
Summer Splash Directors
